Dear ABS Nurse Members

Call for expressions of interest for ABS Nursing Committee roles

We have recently set up the ABS Nursing Committee and have increased the spread of representation on the group so that it truly reflects the different roles being undertaken by the ABS' nurse members and also the geographical spread of the members across the UK. Last year we sent around a call for expressions of interest for regional representatives but there were no candidates from Eastern or Wales.

ABS Nursing Regional Representatives

We are looking to appoint representatives for Eastern and Wales

The representatives would be required to attend ABS Nursing Committee meetings, which are held up to four times a year (usually by Zoom, but with up to two face to face meeting per year). A job description for the role is attached.

To apply

Applications for these roles should be by an expression of interest in the form of a covering letter outlining which position you are applying for, your current nursing role, hospital and experience. You should also outline why you are interested and suitable for the role and what you would hope to bring to it.

The letters should be e-mailed to Lucy Davies at the ABS Office (lucydavies@absgbi.org.uk) by 9am on Friday 2nd December 2022. For further information or to discuss the roles please contact Lucy Davies on 020 7869 6852 or 07936 359533 or by e-mail to her address listed above.

We look forward to your applications.

Kind regards
